

FLY *Flags Across Mississippi*™

Make Mississippi More Beautiful

Nominate prominent locations and people to receive free Mississippi Gift Flags.

When you see a prominent location flying the U.S. flag without a Miss. flag, or one that could fly the state flag, but is not, nominate the location to receive a free Miss. flag (1894 version). We will try to contact the location's owner to find out if he would fly a flag if we send him one at no charge. If he agrees, we will add his name to the recipient list.

SUPPORT *Flags Across Mississippi*™

Respect the Flag

Please support the campaign by making donations to the Mississippi Gift Flag Program so we can put hundreds of state flags in the air all across the state. Since our flag is no longer sold at chain stores that fear the Left, the number of flags flown has steadily decreased during the last ten years or so. We must reverse this negative trend & show support for the flag so everyone, including elected officials, can see.

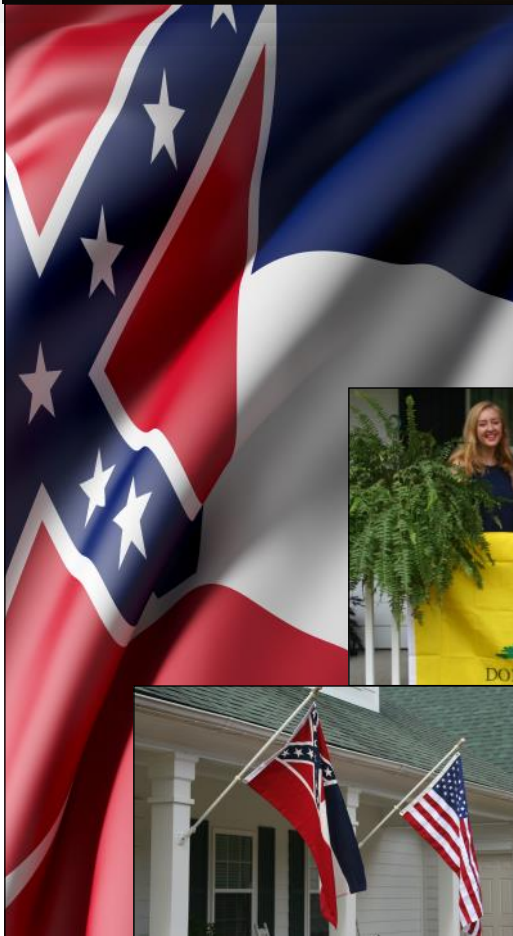

It takes money to operate the campaign. Please help.
